

CALL FOR ABSTRACTS

4th

International Seminar on ORGANIC RANKINE CYCLE POWER SYSTEMS

Key Information

- Prominent keynote speakers
- Industrial day
- Technical visit tours at ORC manufacturers facility
- All the papers will be published by **ENERGY PROCEDIA**
- Selected papers will be proposed for publication on **ENERGY** Special Issue
- Best scientific poster **award**
- Best master thesis **award**

Key Dates

- **December 10th, 2016**
Abstract submission deadline
- **March 1st, 2017**
1st Draft submission deadline (4 - 8 pages)
- **May 10th, 2017**
2nd Draft submission deadline
- **June 25th, 2017**
Final paper submission deadline
- **August 1st, 2017**
End early registration

Topics

- Applications and Energy Sources
- System Design and Optimization
- Experimental activities and techniques
- Working Fluids, including mixtures
- Turbines design and Volumetric expanders
- Heat Exchangers
- Simulation and Design Tools
- Advanced Control Strategies
- Operational Experience on Prototypes
- Supercritical CO₂ and novel technologies

Sponsor and Exhibitors

- High visibility
- 10-minutes pitch on the industry day
- Free conference tickets
- Exposition Booth
- Logo on the website
- External space for ORC modules exhibition

**ORC Community:
welcome back home!**
